COLLAGE CORNER

At Collage Corner, right in The Quarter, York, just off Grape Lane, we offer the choice of two, first floor, fully serviced rooms. The décor is almost Mediterranean and hopefully ensures both relaxed comfort AND concentration.

From £35 for a four hour time slot you can use either room. The larger room seats 20 and the smaller room seats 14. You may set out the rooms as you wish. Each room has a flipchart easel, some paper and pens.

There is the option to pay for additional services. Food and drinks for example can be arranged in the neighbouring restaurant El Piano. Hot and soft drinks are specially priced at £1.50 with a buffet meal at £7.50 per person. Alternatively check out other venues in the area by going to our website.
